

# Resolve Digital Press Kit

## History

Resolve Digital was founded in 2002 on one guiding principle: we are in this together.

We have over 18 years of experience building high end eCommerce solutions for tech giants, cutting edge startups, eCommerce retailers and even brick and mortar shops across a variety of industries.

## Vision and Values

Our Vision is to become **a leading agency** in the industry for high quality web and mobile application development.

We Value:

- Honesty
- Integrity
- Trustworthiness.
- Hard work
- Excellence
- Fairness
- Respect

## What drives our success:

- Strong sense of justice and integrity
- Technical expertise
- Delivering excellent results
- Great communications and teamwork
- Ability to effectively prioritize work
- Commitment and hard work
- Openness to change and flexibility

## Our Team

Our most valuable asset is the team of experts we work with to develop unique user experiences for your brand. We work on a foundation of good communication to deliver successful results.

We are proud to embrace remote work as the standard with which our company operates. With over 40+ members of our team, our focus remains is recruiting top talent and unique expertise across the americas.

Our team of developers, project managers, quality assurance engineers and designers work full-time to make sure we exceed our clients expectations.

## Client Testimonials

"Resolve Digital did an excellent job, were professional at all times and adapted quickly to our processes. Above all they were great guys to work with."

— **Remy Burger, Product Manager**  
at 

"Resolve Digital was extremely diligent and reliable during the process of making our business website ADA compliant. From understanding the features required to be compliant and setting best practices in order to be compliant going forward, Resolve Digital completed the project within the expected timeline and within budget."

— **Olga Lopez, Digital Marketing Manager** at **Popchips.**
